**Communication skills****Sales man in the National Marble LTD**

- good communication skills gained through my experience as sales manager

**Job-related skills****Good revenue collection skills**

- Ability to calculate losses from actual electricity consumption

When electricity is supplied to a house from a transformer, there is some waste along the way, which must be taken from the original electricity bill. And so we can calculate it, then we need an engineering team to be managed. Then it is calculated and the losses are generated

- Ability to manage and supervise personnel assignments
- Administrative control skills

**Computer skills**

Microsoft Office™ tools

AutoCAD 3D

Color Draw

Internet

**Other skills**

- I am also a sport man usually I could play cricket and now I also Can
